Hi Shubham,

As discussed along with your manager BU lead, this is to confirm that your last working day has been revised to 13/02/2026.

You shall be paid salary in lieu of the remaining notice period in accordance with your executed employment terms as also the encashment of any leaves to your credit as part of full and final settlement of dues, in line with the Company's policy.

For any clarification on the relieving process, kindly get in touch with me.

Wishing you all the best.

Regards

Hi Anuj

Can you please look into it, How come it is possible that my LWD gets updated after office hour and on Last day. I am attaching email.

Also I only had a discussion with Venkatesh and Pracil over call that I will be fully paid till my LWD which is 10th April, Can you confirm this over email that I will get full salary amount till 10th April as part of FNF settlement Since there is no communication from HR side Please confirm this

Below Things are pending from my side. Please confirm that How would I close these -

- 1- All my clearance are pending.
- 2- Mandatory trainings are pending.
- 3- Laptop and ID card is with me.

I am also adding my personal Email ID in this list so that I can still receive communication is my ID is disabled.

Regards

Shubham Chaturvedi

Subject: Re: Shubham-Chaturvedi-Early-Release

Hi Venkatesh,

No, the date was never confirmed to me by anyone.

@K K, Pracil please confirm. I got to know about it just now after office hours.

Also my email id and all may be deactivated very soon how will I initiate the clearances.

Hello Shubham,

We had a detail discussion on this subject and explained that your last day is 13th.

Pracil,

Please connect and explain his doubts. If needed take me in call.

Cheers,

Venky

Subject: Shubham-Chaturvedi-Early-Release

Hi Pracil/Venky

I have just now received an email stating that my LWD is today, how can I plan exit formalities same day. Please check.

Also, I have certain queries before accepting this whom I can shoot my queries to.

Please help,

Regards
